PROPOSED TEMPORARY CLOSURE OF BERNE LANE, CHARMOUTH

I have received an application from Core Highways to close BERNE LANE, CHARMOUTH between its junction with A35 and a point approximately 1345 metres north east. The closure has been requested to allow Core Highways to carry out in-situ recycling carriageway treatment. These works are programmed to commence between 0700 and 1900 from 09 September 2024 until 11 September 2024.

Core Highways will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 25 August 2024.
